

## About Play Gloucestershire

Play Gloucestershire are the leading providers of active outdoor play in the county. Play Gloucestershire's Play Rangers work in urban parks and rural green spaces providing open access play activities to school-aged children across the six county districts of Cheltenham, Cotswold, Forest of Dean, Gloucester, Stroud and Tewkesbury. The Play Rangers arrive on site fully equipped with a range of activities for young people to choose from, including den building, sports, arts, active play, campfire cooking and environmental games. # Play Gloucestershire's Play Products

Our award winning Play Rangers can provide both holiday and after school activities at a outdoor location in your local community. This can range from one off sessions to year round provision.

Our innovative Get Out and Cook! days enable children and families to cook healthy camp fire meals in our mobile field kitchen. Our pedal powered smoothie making bike can be hired, complete with Play Rangers and fruit.

Specialist services include Festivals, Fetes and Fun Days. The Play Inspectors can evaluate playgrounds and staff. There is also a School Playful Peer Mentoring project called 'Junior Play Rangers' as well as Residential Adventure Camps. We can also provide play development expertise through our Play Enabling Service.

"This was one of the most inspiring and outstanding evaluations that the Evaluation Trust has completed in the last 20 years. The ethos, flexibility and reliability of Play Gloucestershire's Play Rangers foster trust and respect amongst children. A culture has been created where children come first. The evidence shows that Play Gloucestershire's Play Rangers are quite outstanding."

Sarah del Tufo: The Evaluation Trust

**"We haven't had an incident of anti-social behaviour for some time now, so well done for all the hard work you've put in. The kids that I speak to that go to Play Rangers say that they love it, so you must be doing something right!"**
